**Please note:** As we now have the meeting the first week of a given month, rather than the last, the notes, activities, and expenses reflect the prior month's goings on. For example, this November Director's Report reflects what was accomplished for the month of October.

I will have updated analytics available in the Mid Month report in a few weeks. If you have specific questions, please let me know and I can pass along a synopsis.

- Jen contacted Sky Guys per the Boards determination. We are happy to say they come quickly and removed the trees on Monday, October 24<sup>th</sup>. We are working on a budget amendment for making monies available from the fund balance to pay for the invoice we hope to have this ready to go for our Budget meeting scheduled on November 1<sup>st</sup> prior to our Board Meeting.
- I completed the GLEPF grant follow up for our Technology Updates from earlier in the year this grant helped us purchase the new cataloging computers, tablets, and portable CD/DVD drive.
- Thank You notes were sent to Breann Parsons and J&A's Grocery for their generous participation in the bake sale that raised more than \$500.00 for our children's books.
- We contacted Eli HVAC, LLC on Friday, October 21<sup>st</sup> and was informed that they will reassess the quote as the cost of the water heater may have increased. We are awaiting a call back.
- Jen is moving forward with the Story Walk and has put a quote request in for the book *Nest, Nook and Cranny* by Susan Blackaby.
- Jen has contacted Pioneer and has added their email address to our listsery to ensure better communication of our events. This should help with Laura's idea of having our events present in the local newspaper. We will follow up if our events are still not being showcased.
- As a reminder, two of our Board Members' terms are about to expire at the end of the year:
  - Kylene Nix-Treasurer (City of Reed City) Term exp. 12/31/22
  - Cecile Slywka-Trustee (Richmond Twp.) Term exp. 12/31/22
- We have completed a Corrective Plan at the request of the Michigan Department of Treasury. Much like previous years, our expenditures were higher than our income and the State requires a statement acknowledging our awareness of this occurrence.
- Mr. and Mrs. Duke generously donated a tall bookshelf, Amish made, for our discretionary use.
   We will likely use it in our back rooms or possibly for our board game or MelCat storage once we move it. We do not plan on putting it in the Library proper.

October 25<sup>th</sup>, 2022

Mr. Cary Jay Vaughn, CPA, CGFM Audit Manager Community Engagement and Finance Division Michigan Department of Treasury

RE: Request for Improvement of Deficiencies – Corrective Action Plan

Fiscal Year 2022 MuniCode: 678013

Report ID Number: 134970

Dear Mr. Vaughn,

This is in response to your letter dated October 03, 2022, in which you identified the following issue corresponding to our 2022 auditing procedures report (APR):

Expenditures have exceeded revenues for the last three years.

Our Corrective Action Plan is:

To continue to monitor our General Fund "unassigned fund balance" in order to provide our community with the same level of service they currently receive, in future years.

Although our expenditures have exceeded revenues for the last 3 years, we still maintain a fund balance of 106% of total current year expenditures. Since purchasing our new building in 2016, we have continued to invest in furniture, equipment, and new technology. This year our capital expenditures were \$14,409. This included additional new computers for citizen use and new, updated furniture. These improvements have been made thru careful long-term planning, and we are confident that they will help make us a viable asset to our community in future years. Also, our long-term debt issued for the purchase and remodeling of our building will be paid-off within five years. This will decrease expenditures by over \$50,000 per year.

Hopefully, we have adequately addressed all issues and deficiencies noted in our audit. Please contact us at (231)832-2131 if anything further is needed.

Sincerely,

Melissa Rohen Reed City Area District Library Director
